MANAGEMENT EDUCATION AND RESEARCH INSTITUTE
52-55, INSTITUTIONAL AREA, (OPP D BLOCK) JANAK PURI, NEW DELHI

Ref: MERI/Governing Body Meeting-1

DATE: 19.03.2021

MINUTES OF THE MEETING OF THE GOVERNING BODY OF THE
MANAGEMENT EDUCATION & RESEARCH INSTITUTE(MERI) HELD ON
19-03-2021 AT 11:00 A.M. IN THE INSTITUTE PREMISES

The meeting of the members of the Governing Body of the Management Education & Research Institute (MERI) was held on 19-03-2021 at 11.00 a.m. in the institute premises. The following members of the Governing Body attended the meeting:

1. Sh. I.P. Aggarwal, Chairman
2. Sh. O.P. Goel, Member
3. Dr. S.K. Goel, Former Director, AICTE
4. Dr. S.K. Bhatia, Member
5. Mr. Vivek Nanda, Ex-General Manager,
Marketing Sharp India Ltd.
6. Mr. Amit Vikas Hans, Asst. Professor, Member
7. Prof. (Dr.) Deepshikha Kalra, Dean (Management), Member
8. Dr. Ritu Aggarwal, HOD IT, Member
9. Prof. Lalit Aggarwal, Director, Member-Secretary

Following deliberations were held amongst the members of the Governing Council on the agenda:-

Point No. 1- Minutes of the last meeting held were read and confirmed

Point No.2- Actions taken on the minutes of the meeting held on were discussed and appreciated by the members.

Point No. 3- The report of the institute for the RY 2020-2021 was presented by the Director.

Point No. 4- The Governing Body ratified the appointments/resignations of faculty and staff.

Point No. 5- The Governing Body had a comprehensive discussion regarding the proposal to establish a Startup Hub at the MERI Campus, intending to name it as 'MERI Startup Hub.', which outlined the objectives, potential benefits, and anticipated impact of such an initiative on the institute and its stakeholders. Members expressed their perspectives on the feasibility, potential challenges, and strategic alignment of the Startup Hub with MERI's mission and goals. The Chairman expressed optimism about the positive impact of the MERI Startup Hub on nurturing entrepreneurial spirit, fostering industry connections, and contributing to the overall growth and reputation of the institute. After thorough consideration, the Governing Body unanimously approved the proposal to establish the MERI Startup Hub, acknowledging the significance of promoting innovation and entrepreneurship within the institute.

Point No.6- The Governing Body deliberated upon the proposal to introduce an E-kit and incorporate value-added courses, including the consideration of Harvard Simulations, which outlined the rationale behind incorporating an E-kit, emphasizing its potential to enhance the learning experience for students through digital resources, interactive materials, and online tools. Members deliberated on the relevance of such courses in augmenting the academic curriculum, providing practical insights, and ensuring students are well-equipped with industry-relevant skills. After a comprehensive discussion, the Governing Body expressed unanimous support for the proposal.

Point No.7 - The Governing Body conducted a comprehensive review of the recently held International Semantic Intelligence Conference (ISIC 2021), organized in collaboration with Lubek University, Germany.

Point No.8 - The Governing Body discussed the proposal for the implementation of a Research Lab Timetable specifically designed for the faculty at MERI. The rationale behind introducing a Research Lab Timetable was presented by the Director, emphasizing the importance of structured time allocation for faculty members to engage in research activities. Members deliberated on the potential benefits of having a structured Research Lab Timetable and unanimously approved the proposal.

Point No.9—The Governing body unanimously approved the e governance policy of the institute, acknowledging the importance of data maintenance and security. The Board approved the implementation of ERP for digital workflow, online communication, accounts and evaluation / result records. After a detailed discussion and recommendation of the director installation of Smart IFP panels to improve the ICT enabled Classroom experience was approved.

The meeting ended with Thanks to the Chair.

E Governance Policy

In an era marked by digital transformation, higher education institutions must embrace e-governance to streamline processes, enhance transparency, and provide efficient services to students and staff. This report outlines the implementation of e-governance solutions in key areas of a higher education institute: administration, finance and accounts, student admission, and examination.

Objectives:

- To install an integrated, user-friendly Enterprise Resource Planning (ERP) solution to automate various modules of institutional functioning.
- To implement E-governance in every function of the institution and provide simpler and efficient system of governance within the institution and outside as well.
- To maintain the data on a secure environment
- To promote transparency and accountability in all the functions of the institute.
- To achieve and create a paperless environment in the college.
- To establish a fully automated Library.

Digital Record Management: Transitioning from paper-based record keeping to a digital system ensures easy access to administrative documents, reducing paperwork, and improving data security.

Online Communication: Implementing an online portal for faculty and staff facilitates seamless communication, document sharing, and decision-making.

Electronic Workflow: Developing an electronic workflow system for administrative approvals accelerates decision-making processes.

Automated Accounting: Utilizing accounting software automates financial processes, minimizes errors, and offers real-time financial data for informed decision-making.

Digital Payment: Enabling online fee payments for students enhances convenience and reduces the burden on finance staff.

Online Application Portal: A user-friendly online application portal simplifies the admission process, enabling students to apply from anywhere.

Evaluations and Grading: Scanning and evaluating answer sheets digitally speeds up the grading process and reduces errors.

Results Publication: Online result publication ensures swift access for students and reduces administrative overhead.

E-governance implementation in administration, finance and accounts, student admission, and examination processes can significantly enhance the efficiency, transparency, and accessibility of a higher education institution. While challenges exist, the long-term benefits far outweigh the initial hurdles, positioning the institution as a modern, efficient, and student-centric organization.
