To Whom It May Concern

Through this letter, we would like to recommend **Vaishali Gupta**, studying **BBA at Management Education and Research Institute** who has worked as an **Business Development Intern** with Universal Lawmkr from **08-07-2022 to 08-09-2022**, to endorse her contribution to the organisation. We have had the opportunity to watch her work from a critical angle, and it is a pleasure to admit that she has proved her worth.

As an individual, Vaishali is communicative and hard working and has an ability to determine her motivations and research informational content for the work assigned to her. This has helped us immensely. She is unstinting in her efforts to keep abreast with market related research which helped with the development of the product, indefatigable in showing the applications to practice.

During the work, she demonstrated good leadership skills with a self-motivated attitude to learn new things.

We wish her the best of luck in her future endeavours .

Through this letter, we would like to recommend **Vaishali Gupta**, studying **BBA at Management Education and Research Institute** who has worked as an **Business Development Intern** with Universal Lawmkr from **08-07-2022 to 08-09-2022**, to endorse her contribution to the organisation. We have had the opportunity to watch her work from a critical angle, and it is a pleasure to admit that she has proved her worth.

As an individual, Vaishali is communicative and hard working and has an ability to determine her motivations and research informational content for the work assigned to her. This has helped us immensely. She is unstinting in her efforts to keep abreast with market related research which helped with the development of the product, indefatigable in showing the applications to practice.

During the work, she demonstrated good leadership skills with a self-motivated attitude to learn new things.

We wish her the best of luck in her future endeavours.
